

Cub Scout Advancement Requirements Changes

Effective September 1, 2018

General Information

The *Guide to Advancement - 2017* and the current *Cub Scout Handbooks* are the official Boy Scouts of America sources on Cub Scout advancement procedures.

New editions of the Cub Scout Handbooks and a new Lion Cub Scout Kit, including a Den Leader Guide were issued in September, 2018 in conjunction with the introduction of Family Scouting for Cub Scouts (with separate Dens for Boys and Girls), the upcoming introduction of Family Scouting for Scouts BSA, and the change of the Lion Cub Scout program from a pilot program to a permanent program. The new Handbook editions also incorporated the advancement changes which were first published on-line in November, 2016, then released in print form as an addendum to each Cub Scout Handbook in December, 2016.

The requirements for Lion Cub Scouts are in the Lion Den Leader Guide. The requirements for Tiger, Wolf, and Bear Cub Scouts are in the Tiger, Wolf, and Bear Handbooks. Webelos and Arrow of Light requirements are in the Webelos Handbook. Bobcat requirements appear in each of the handbooks.

We have reviewed each of the Handbooks and the Den Leader Guide to determine what changed in the advancement requirements. Our review was strictly confined to the text of the requirements for advancement. We did not review the rest of the text in the handbooks to compare them with the previous editions.

We found no changes to the requirements for Lion Cub Scouts from those used during the 2016-2018 pilot (test) period, and no changes to the requirements for the Bobcat Badge. The changes we found are listed below, and represent changes from the text in the addendums not from the body of the previous editions.

We have used the following coding to identify the changes:

New text is in bold GREEN underlined Serif text like this sentence.

Deleted portions are struck through RED italic text like this sentence.

The Pocketknife Pledge and Knife Safety Rules were modified as shown.

The Pocketknife Pledge:

In return for the privilege of carrying a pocketknife to designated Cub Scout functions, I agree to the following:

- ~~I understand the reason for safety rules.~~
- I will treat my pocketknife with the respect due a useful tool.
- I will always close my pocketknife and put it away when ~~I am not using it~~ **not in use.**
- I will not use my pocketknife when it might injure someone near me.
- I promise never to throw my pocketknife for any reason.
- I will use my pocketknife in a safe manner at all times.

Knife Safety Rules

- A knife is a tool, not a toy
- Know how to sharpen a knife. A sharp knife is safer than a dull knife because it is less likely to slip and cut you.
- Keep the blade clean *and dry.*
- Never carry an open pocketknife
- When you are not using your knife, close it *using the palm of your hand* and put it away.
- When you are using the cutting blade, do not try to make big shavings or chips. *Cut slowly and steadily* **Easy does it.**
- Make a safety circle. Before you pick up your knife to use it, stretch your arm out and turn in a circle.
If you cannot touch anyone or anything else, it is safe to use your knife.
While using your knife, be sure to watch in case someone walks toward you and gets too close.
If that happens, put your knife away until it is safe to continue.
- ~~Always cut away from you, never toward you.~~
- ~~Never hand a knife to someone else blade first.~~
Learn and use the "eye contact" method of handing a knife to someone else.
Do not release the knife until the other person makes eye contact with you and acknowledges he is receiving the knife.
- ~~Never use a knife on something that will dull or break it.~~
- ~~Never throw a knife for any reason.~~
- ~~Always think before you cut.~~
